ASKS

to be invited to take part in the above procedure

and, pursuant to Articles 46 and 47 of Presidential Decree no. 445 of 28.12.2000, aware of the penal sanctions set out in Article 76 of said Presidential Decree in the event of false statements:

DECLARES

- that he is participating in this tender as _____ (individual operator or principal or agent of a temporary association, etc.);
- that the legal status of _____ is _____ (*company, consortium, etc.*);
- that the following parties are empowered to represent the company (specify all owners, or persons empowered to represent, manage and control the company in law, as well as technical directors with their names, place and date of birth and role/office occupied):
- _____;
- _____;
- _____;
- _____;
- that he is registered with _____ (Professional register, Chamber of Commerce, etc.);
- that the professional figures responsible for providing the service, as per point 7.2(b) of the Notice of Tender, are as follows:

- 1) Architect: _____
(indicate name and details of registration with Orders, Associations or other official lists)
- 2) Structural engineer: _____
(indicate name and details of registration with Orders, Associations or other official lists)
- 3) Electrical engineer: _____
(indicate name and details of registration with Orders, Associations or other official lists)
- 4) Mechanical engineer: _____
(indicate name and details of registration with Orders, Associations or other official lists)
- 5) Professional responsible for fire protection system design: _____
(indicate name and details of registration with Orders, Associations or other official lists)
- 6) Building physicist: _____
(indicate name and details of registration with Orders, Associations or other official lists)
- 7) Person authorised to coordinate health and safety on construction sites: _____
(indicate name and details of registration with Orders, Associations or other official lists)
- that he does not incur in any of the grounds for exclusion set out in Article 57 of Directive 2014/24/EU, or in the exclusions listed in Article 80 of the Italian Procurement Code, Legislative Decree 50/2016 or in the equivalent situations regulated by local law (arts. 123 and 124 of GWB - Gesetz gegen Wettbewerbsbeschränkungen);
- that his insurance cover for professional risks has a guaranteed ceiling per insured person, per claim and per insurance year of _____;
- that his average specific annual turnover, relating to the best three of the last five financial years available, preceding the date of publication of the call to tender for engineering and architectural services, is equal to _____;
- that in the last ten years, he has carried out the following two engineering and architectural services pertaining to works belonging to each of the classes of works as per point 5.1 of the Call to Tender, to which the services being tendered refer (or to equivalent classes or categories on the basis of the regulations of the respective countries of residence of the economic operators) (*describe the service, the client, the category and the value of the works subdivided by category; in the event of the service being performed as an association, indicate the specific quotas of activities carried out*):
- _____
- _____
- that (*in the case of operators organised into companies*) the average annual number of technical staff employed over the last three years is _____ or (*in the case of individual or associated professionals*) that the minimum number of members of the technical staff is equal to _____;

- that he has designed in the last five years a building that has obtained an energy performance certificate (EPC) of at least class B, in accordance with Directive 2010/31/EU and subsequent amendments and additions;
- that he has not directly, or through another controlled, controlling or affiliated entity, carried out any support activity for the intervention which is the subject of the present procedure, nor that any of his employees or consultants has participated in such support activity on an annual basis or an exclusive basis;
- that no more than one candidate is present at the same time and in any capacity at the same procedure;
- that he can receive communications relating to this tender at the following addresses: PEC (where available) _____ or email _____, the use of which is expressly authorised (*in the event of joint participation, indicate the address of the principal/agent, or of the consortium, etc.*);
- that he has received the statement pursuant to Article 13 of EU Regulations 2016/679 on the processing of personal data and consents to the processing of the same, also in compliance with German law on the processing of personal data (BDSG “Bundesdatenschutzgesetz”);
- that he accepts, without condition or reservation, all the provisions contained in the Tender and the Call for Tender, its Appendices and Annexes, including the confidentiality clause set out in point 3.2 of the Call for Tender.
